

The Shirtwaist and Skirt Season Is Now at Its Best

—and so our Shirtwaist stock is more interesting than ever. Plenty of new and attractive models to select from, whether you buy the dressy Silk Waist, the more simple Muslins or Voiles, or even the new Middy. Several new Waists are a very important item in a woman's summer outfit.

The Popularity of Waists Demands a Separate Skirt

We know very well that if a woman is attracted by a pretty Waist and purchases, she must necessarily have a Skirt to wear with it, and that is why we have an unusually broad selection to choose from. Don't fail to see this line of White and Colored Skirts.

Pretty New Summer Dresses

The styles are so attractive and the Dresses so delightfully cool in appearance that you cannot help liking them. It is to your advantage to buy now and get a full season's service out of your Dresses. A splendid line of both White and Colored, priced at from \$1.69 to \$15.00 each.

Women's Neckwear

Surprising what a dainty piece of Neckwear will do in the way of helping to improve the looks of a dress or suit.

Ours is a collection of very pretty ideas, fashioned of soft, pleasing materials. They are in round and fichu shapes, some are edged with lace, others with embroidery. Colors seem to be very popular. See our line marked at popular prices.

The bride wore blue taffeta and a hat to match and the bridesmaid was dressed in a gray taffeta suit. The bride is a graduate of St. Michael's school and has many friends in Montpelier and Barre. Cecil Pierce, 17 years old, was apprehended yesterday afternoon by Chief of Police P. J. Connolly on the charge of stealing a bicycle from Mel Wheeler, a high school student. The alleged theft was committed over two weeks ago, Wheeler reporting his loss to the police at that time. Yesterday he found his wheel on Main street in front of the Seguin store and immediately ran to the police station. He waited with Chief Connolly for someone to appear and mount the bicycle and their patience was rewarded by young Pierce emerging from the store. He started to ride away and was halted by the chief. The police say that he admitted the theft after an examination at the station. The wheel had been treated to a coat of paint and the seat and handle bars changed so it would not be easily recognized. Pierce will probably be arraigned on charge of petty larceny.

A slight blaze in Chapman Bros' store early Sunday morning caused an alarm to be rung in from box 15 at the corner of East State and Main streets, the entire department responding. The firemen found some mops and cloths pins burning in the rear of the store and easily extinguished the fire with chemicals. The damage was slight. The cause of the fire has not been determined. An overheated stove which caused the Perry garage on State street to be filled with smoke shortly after 6 o'clock last evening summoned the department, a telephone message being received at the station. It was not found necessary to use chemicals or water.

WAITSFIELD

Orr-Howe Marriage at Bride's Home Saturday at High Noon.

A pretty home wedding occurred Saturday at the residence of Wallace W. Howe in Iraville, when his sister, Miss Florence Belle Howe, and Don Orr of Vershire were united in marriage. At high noon the bridal party advanced to the strains of the wedding march from Lohegrin played by Miss Ula Orr, to the arched corner in the living room, where the officiating clergyman, Rev. W. A. Reine, pastor of the Congregational church, was standing, under an arch of evergreen and apple blossoms. The groom was escorted by Roy Lathrop as best man, the bridesmaid was Miss Dora Smith, niece of the bride, and groomed in pink crepe. The bride, in white silk, with a filmy veil and carrying white carnations, was led in by her brother, W. W. Howe, who gave her away.

At the close of the ceremony, Mr. and Mrs. Howe served a bountiful collation to the bridal party and assembled guests. Only the immediate relatives of the contracting parties were present. After a fortnight's wedding trip Mr. and Mrs. Orr will make their home in Vershire on the Orr farm, where the groom and his father before him were both born. To-night at the regular meeting of the city council, the municipal statesmen hope to get somewhere in the matter of providing the police department with a deputy chief. The second step in making the provision has been accomplished by amending the ordinances, and the final move will have been made if the council acts favorably on the selection of a candidate for the office. Since the conference between the councilmen and officials of the intercity traction company last Thursday, members of an aldermanic committee have gone outside for more information bearing upon the company's refusal to assist in paving South Main street, and the findings will probably be broached this evening. The special band committee, appointed by Mayor Gordon a fortnight ago, will return a second report on negotiations with the Barre Citizens' band for a series of concerts, and inasmuch as the young Christopher Columbus band has come to be a factor in proceedings with the musicians, developments may be anticipated.

Astronomical Charity.

In the June Woman's Home Companion, Hayden Carruth says: "We think that Mr. Carnegie's advice to folks with surplus wealth—to devote it to promoting astronomy—was far from wise advice. Promoting astronomy at present seems to us much like a man who, when his house is afire, takes out a pair of manicure scissors and begins to trim the cat's whiskers."
